

TSVIR 2019

Thai-Korean Friendship Symposium

“Moving Forward Together”

Highlight

Lymphatic intervention: From basic to successful treatment

Biliary intervention: How to deal with benign and malignant obstruction

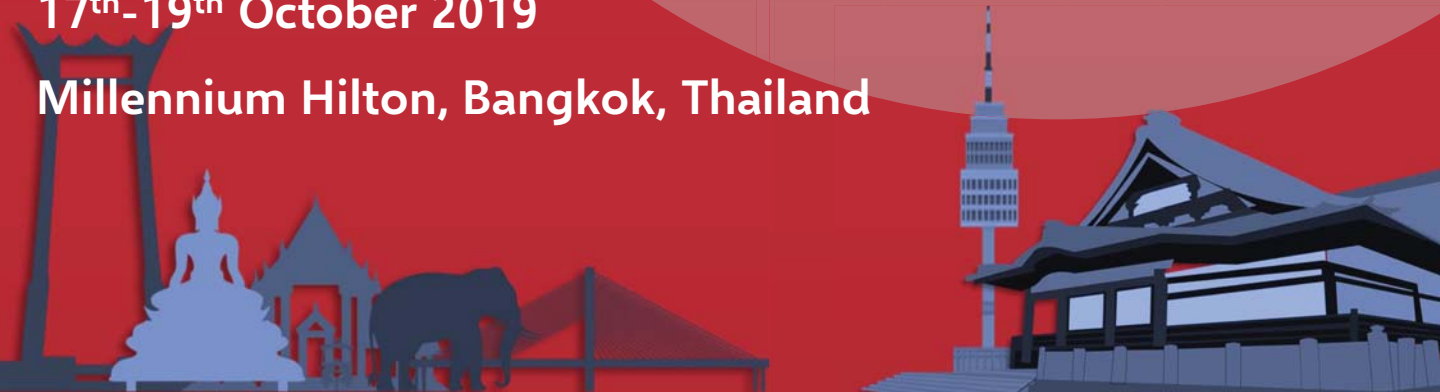

Venous intervention: Endovascular Tx in acute and chronic DVT

Portal intervention & Beyond

IR patient care

17th-19th October 2019

Millennium Hilton, Bangkok, Thailand

17TH OCTOBER 2019

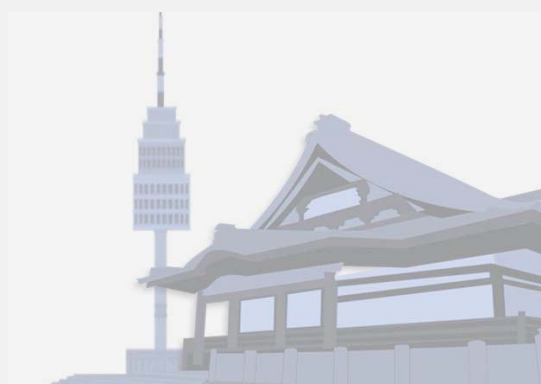

MAIN ROOM

Time	Topic	Speaker
8.00-8.30	Opening Ceremony	
	Interventional Oncology <i>Moderators: Somrach Thamtorawat, Nutcha Pinjareon</i>	
8.30-9.15	Locoregional Treatment of Colorectal Liver Metastasis: MDT Approach	
	- The Oncologist's Point of View and Evidence Base	Krittitiya Korphaisarn
	- The Surgeon's Point of View and Expected IR Collaboration	Bunthoon Nonthasoot
	- The IR's Point of View and Techniques	Nutcha Pinjareon
9.15-9.30	Renal Mass Biopsy: Current Options and Rationale	Nakarin Inmutto
9.30-9.50	Liquid Biopsy Analysis and Applications in Precision Oncology	Naravat Pongvarin
9.50-10.10	Break	
	Pulmonary Intervention <i>Moderators: Jirawadee Yodying, Anuchit Ruamthanthong</i>	
10.10-10.30	Recurrent Hemoptysis: How to Prevent?	Jirawadee Yodying
10.30-10.50	Pulmonary AVM Embolization: Pearls and Pitfalls	Nantiskarn Chanpen
10.50-11.10	Pulmonary Aneurysm is not Uncommon.	Tharintorn Treesit
11.10-11.30	Mechanical Thrombectomy in Massive PE	Anuchit Ruamthanthong
11.30-12.30	Education Session by Medtronic <i>Moderator: Somrach Thamtorawat</i>	
	- When and Why I Choose Detachable Coil	Shang Yub Lee
	- Embolization Techniques	Dong Jae Shim
12.30-13.30	Lunch	
	Peripheral Intervention <i>Moderators: Keerati Hongsakul, Nantiskarn Chanpen</i>	
13.30-13.50	DCB or DES in SFA Lesion: How We Choose?	Supatcha Prasertcharoensuk
13.50-14.10	In-stent Restenosis/Occlusion: What is the Best Solution?	Sorracha Rookkapan
14.10-14.30	Decloting of AVG/AVF: How I Do It?	Keerati Hongsakul
14.30-14.50	DCB in Dialysis Access: When and How?	Sorracha Rookkapan
14.50-15.10	Break	
15.10-16.00	ประชุมใหญ่สามัญประจำปี 2562	
	Venous Intervention <i>Moderators: Sorracha Rookkapan, Panitpong Maroongroge</i>	
16.00-16.20	Acute DVT: How I Do with Endovascular Salvage?	Wuttichai Sangprakai
16.20-16.40	Chronic DVT: Treatment Options	Nutsiri Kittitirapong
16.40-17.00	Diagnosis of Vascular Compression Syndrome	Keerati Hongsakul
17.00-17.20	May-Thurner Syndrome: How to Achieve by Endovascular Treatment?	Panitpong Maroongroge

17TH OCTOBER 2019

PARALLEL ROOM

Time	Topic	Speaker
	TACE การให้ยาเคมีบำบัดทางหลอดเลือดแดง Moderators: Nakarin Inmutto, Kittipitch Bannangkoon	
13.30-13.50	Principle of Chemoembolization for Hepatocellular Carcinoma	Nakarin Inmutto
13.50-14.10	Essential Vascular Anatomy for TACE	Sukrit Sorotpinya
14.10-14.30	Chemotherapy Preparation: c-TACE, DEB-TACE	Kittipitch Bannangkoon
14.30-14.50	TACE: All About Complications	Pudit Pothirukvuitthikul
14.50-15.10	Break	
15.10-16.00	ประชุมใหญ่สามัญประจำปี (Main Room)	
	เครื่องมือทาง IR และการดูแลผู้ป่วยระหว่างหัตถการ Moderators: Thanate Kattipathanapong, Jittraporn Wongwiwatchai	
16.00-16.20	คุณสมบัติพื้นฐานของ Guidewire and Catheter	Thanate Kattipathanapong
16.20-16.40	ฉลากล่องเครื่องมือ มีค่า อย่างไร!!	Jarturon Tantivatana
16.40-17.00	ระจับปวด ระจับความรู้สึก อย่างไรให้ปลอดภัย	Araya Ongiem
17.00-17.20	Troubleshooting in Non-vascular Procedure: Nursing Care Perspective	Hatairat Chonjaroen

18TH OCTOBER 2019

MAIN ROOM

Time	Topic	Speaker
Malignant Biliary Tumor <i>Moderators: Somrach Thamtorawat, Nutch Pinjareon</i>		
8.30-8.50	Cholangiocarcinoma Screening in Thailand: What Have We Learnt?	Jitraporn Wongwiwatchai
8.50-9.10	Metallic Biliary Stent: When, How and Outcome	Kun Yung Kim
9.10-9.30	PVE in Hilar Cholangiocarcinoma	Nutch Pinjareon
9.30-9.50	IR Role in Intrahepatic Cholangiocarcinoma	Somrach Thamtorawat
9.50-10.10	Break	
Portal Intervention <i>Moderators: Satit Rojwatcharapibarn, Jirawadee Yodying</i>		
10.10-10.30	PARTO: Tips and Tricks	Jong Woo Kim
10.30-10.50	TIPS: Make It Easy	Sang Yub Lee
10.50-11.10	Transsplenic Approach for Portal Intervention: When and How?	Jong Woo Kim
11.10-11.30	Ectopic Varices Embolization: Percutaneous Approach	Satit Rojwatcharapibarn
11.30-12.30	Education Session by Lion Medical <i>Moderator: Anuchit Ruamthanthong</i>	
	- The New Paradigm of Aneurysm Management	Tay Kiang Hiong
	- Our Ruby Coil Experience in Thailand: PSU	Sorracha Rookkapan
	- Our Ruby Coil Experience in Thailand: KCMU	Nantisakarn chanpen
12.30-13.30	Lunch	
Benign Biliary Stricture <i>Moderators: Akkawat Janchai, Vivian Klungboonkrong</i>		
13.30-13.50	Biliary Drainage: Endoscopic Approach and Limitations	Nontalee Pausawasdi
13.50-14.10	Role of Interventional Radiology in the Treatment of Biliary Stricture	Dong Jae Shim
14.10-14.30	PTBD in Non-Dilated Duct	Akkawat Janchai
14.30-14.50	Dealing with PTBD complications	Vivian Klungboonkrong
14.50-15.10	Break	
Lymphatic Intervention <i>Moderators: Tanop Srisuwan, Somrach Thamtorawat</i>		
15.10-15.30	Anatomy of Lymphatic System and Variant	Tanop Srisuwan
15.30-15.50	MR Lymphangiography: Problem Solving Tools?	Saebeom Hur
15.50-16.10	Thoracic Duct Embolization: Step by Step	Saebeom Hur
16.10-16.30	Lymphocele Treatment: Embolization or Sclerosing Therapy	In Joon Lee
16.30-16.50	Lymphatic Intervention in Thailand	Somrach Thamtorawat

18TH OCTOBER 2019

PARALLEL ROOM

Radiation Protection in Interventional Radiology including Practical Aspects

Time	Topic	Speaker
09.00-10.30	Refresher Course on Basic Physics in Interventional Radiology and Radiation Safety <ul style="list-style-type: none"> - Fluoroscopy System - Radiation Dosimetry - Fluoroscopy Staff Dose - Fluoroscopy Patient Dose - Regulatory Requirement - Fluoroscopy Protection - IGIP Safety - Patient and Staff Dose Reduction - Controlling Dose to Patients 	Anchali Krisanachinda
10.30-11.00	Break	
11.00-12.00	Radiation Protection in Interventional Radiology <ul style="list-style-type: none"> - Radiation Dose in Interventional Radiology - Dose Limit - Dosimetry - Radiation Protection Tools - Practical Advice to Minimize Radiation Dose - Management Responsibility - Optimization 	Yutthana Netwong Pilaiporn Chattrathikul
12.00-13.00	Lunch	
13.00-13.45	Practical and Clinical Aspects of Radiation Dose Management	Jarturon Tantivatana
13.45-14.30	A Revolution in Personal Radiation Protection	Kittipitch Bannangkoon
14.30-15.00	Break	
15.00-15.45	Discussion Forums of Radiation Dose Management	Nakarin Inmutto Jarturon Tantivatana Satit Rojwatcharapibarn Kittipitch Bannangkoon
15.45-16.00	Summary and Closing	Anchali Krisanachinda Akkawat Janchai Jarturon Tantivatana

19TH OCTOBER 2019

MAIN ROOM

Time	Topic	Speaker
Embolotherapy <i>Moderators: Chinnarat Buangam, Walailak Chaiyasoot</i>		
8.30-8.50	Pearls and Pitfalls of Vascular Imaging for GI Bleeding	Chinnarat Buangam
8.50-9.10	GI Bleeding in Post Operative Setting of HPB Surgery	Satit Rojwatcharapibarn
9.10-9.30	How to Deal with Spontaneous Intramuscular Bleeding	Thunyarat Wattanasethsiri
9.30-9.50	Pelvic Fracture: Role of Embolization	Walailak Chaiyasoot
9.50-10.10	Break	
Oops! I Will Never Do It Again <i>Moderators: Somrach Thamtorawat, Tharintorn Treesit</i>		
10.10-10.30	Burst-Blinded-Balloon	Trirat Jantarattana
10.30-10.50	Spontaneous Ruptured HCC and Collateral Damage	Artthaporn Ajalasereewong
10.50-11.10	Unexpected Challenge in Microwave Ablation of Subcapsular Liver tumors	Worachat Sopchoke
11.10-11.30	Interesting case	Natthaphong Nimitrungtaewee
11.30-11.50	Interesting case	Kaewpitcha Pichitpichatkul
11.50-12.00	Closing Ceremony	

19TH OCTOBER 2019

PARALLEL ROOM

Time	Topic	Speaker
	Embolitic Material การอุดตันเลือดด้วยวัสดุอุดชนิดต่างๆ Moderators: Pongsakorn Ouwongprayoon, Sukrit Sorotpinya	
8.30-8.50	Principle of Embolization: What We Use and Where We Put?	Pongsakorn Ouwongprayoon
8.50-9.20	วิธีเตรียม Gelatin Sponge, PVA, Microsphere Sharing Experience	Reantong Punkalo
9.20-9.50	วิธีเตรียม Liquid Embolic Material: NBCA Preparation Sharing Experience	Panida Khongpennit
9.50-10.10	Break
